

# Minutes of the University Lowbrow Astronomers for the Year 2012

## Contents

- General Membership Meeting, September 28, 2012.
- General Membership Meeting, December 21, 2012.

Note: It is possible that additional minutes were printed in one of the newsletters, look at the month in question and the next few months. Minutes are most likely to be found the month after. So the December 2011 minutes would most likely be in the January 2012 newsletter, but could be in the December 2011 or February 2012 newsletters.

## **Officers Meeting September 28, 2012**

Discussion of two topics.

1. The creation of a Lowbrow Blog.
2. How to handle the private web space, in particular are there alternatives to the existing private web space we use now?

From Charlie Nielsen:

A couple of meeting notes, from the meeting of December 21, 2012.

Clay Kessler did a great job explaining the how and why of his business, making custom telescope parts.

We had a light turnout due to Christmas approaching, but those that made it enjoyed the show. Thank You Clay!

I announced, but want the whole club to know that David Jorgensen responded to my email request for a Coach/Teacher/Mentor for Chelsea High School.

At this time it looks like he is going to accept this considerably time consuming mission. We should be proud of him and Chelsea High School is in good hands.

Our long term Webmaster, Dave Snyder, announced that he will not continue in this position after the April elections. Dave has handled this admirably and he will be a tough act to follow. We deeply appreciate his service for all these years.

Thank You Dave! With that, we need to start looking for his replacement right away. Please let us know if you are interested.

That would also save the trouble of hunting you down, because you know I will. :-) Thanks for considering it.

Clear skies,  
Charlie
